**Legal Services Clinics in *suburban* Hennepin County**

Beginning July 20, 2010, Community Action Partnership of Suburban Hennepin (CAPSH) will be holding monthly Legal Services Clinics at locations throughout suburban Hennepin County. The Clinics will provide low-income clients the opportunity to speak with a volunteer attorney about legal questions and obtain information about going to court.

Attorneys will provide limited legal advice to clients. Walk-in services are available; however CAPSH will also accept appointments. Services will be offered at different locations within suburban Hennepin County, rotated to provide the greatest service area coverage.
